PROFESSIONAL SUMMARY

A tireless worker who has created exceptional work relationships with every employer, even while working multiple concurrent jobs. At the same time I've dedicated my spare time to improving my character design and drawing fundamentals, consistently putting out quality personal projects. Although my work history is manual labour, I've always seen the art-form in this type of work.

SKILLS

- WHMIS certified
- Working At Heights certified
- Trained with hand and power tools, and boom/scissor lifts
- Heavy lifting and prolonged physical activity
- Decontamination, cleaning techniques

WORK HISTORY
